Life Lessons

Bobby and MiJa Thompson, Unitarian Church of Baton Rouge, 2008

Opening words

Do not think that the knowledge you presently possess is changeless, absolute truth. Avoid being narrow-minded and bound to present views. Learn and practice non-attachment from views in order to be open to receive others' viewpoints. Truth is found in life and not merely in conceptual knowledge. Be ready to learn throughout your entire life and observe reality in yourself and in the world at all times.
